

**TO THE MEMBERS OF THE COMMUNITY FIRST FOUNDATION BOARD OF DIRECTORS:**  
We don't want Lutheran Medical Center to become a sectarian (Catholic) hospital. Stop your deal to give Sisters of Charity of Leavenworth Health System control of Lutheran in exchange for \$311 million. Put the needs and interests of this community first. The only acceptable result of the arbitration you are about to enter with Exempla and Sisters of Charity of Leavenworth Health System is for Lutheran Medical Center to remain our community hospital and not become a Catholic hospital.
